

Year 1 - Who found out about dinosaurs?

During this topic, our key learning will be about Mary Anning, discovering what she did and what problems she faced.

We will also be learning about what it means to belong to a community, like a church or a mosque in RE, as well as different categories of animals in Science.

In English, we will be continuing to learn how to structure a fictional story, as well as adding adjectives to our writing. Children will also learn their remaining phonics sounds and continue to work on adding capital letters, full stops, and finger spaces.

In Maths, we will be continuing with learning how to use a part whole model and how to make

Your child will need to bring their book bag to school daily. Please listen to your child read at home daily. Phonics videos will be posted onto class dojo – these MUST be watched. Maths learning will be posted onto dojo each Friday.

Please send your child to school in PE kit on Monday (indoor) and on Thursday for Forest school (outdoor.)

We will update you with any special events on Dojo.
