Melting and freezing

N

R

Natural World

**Weather, environment
and seasons**

Food

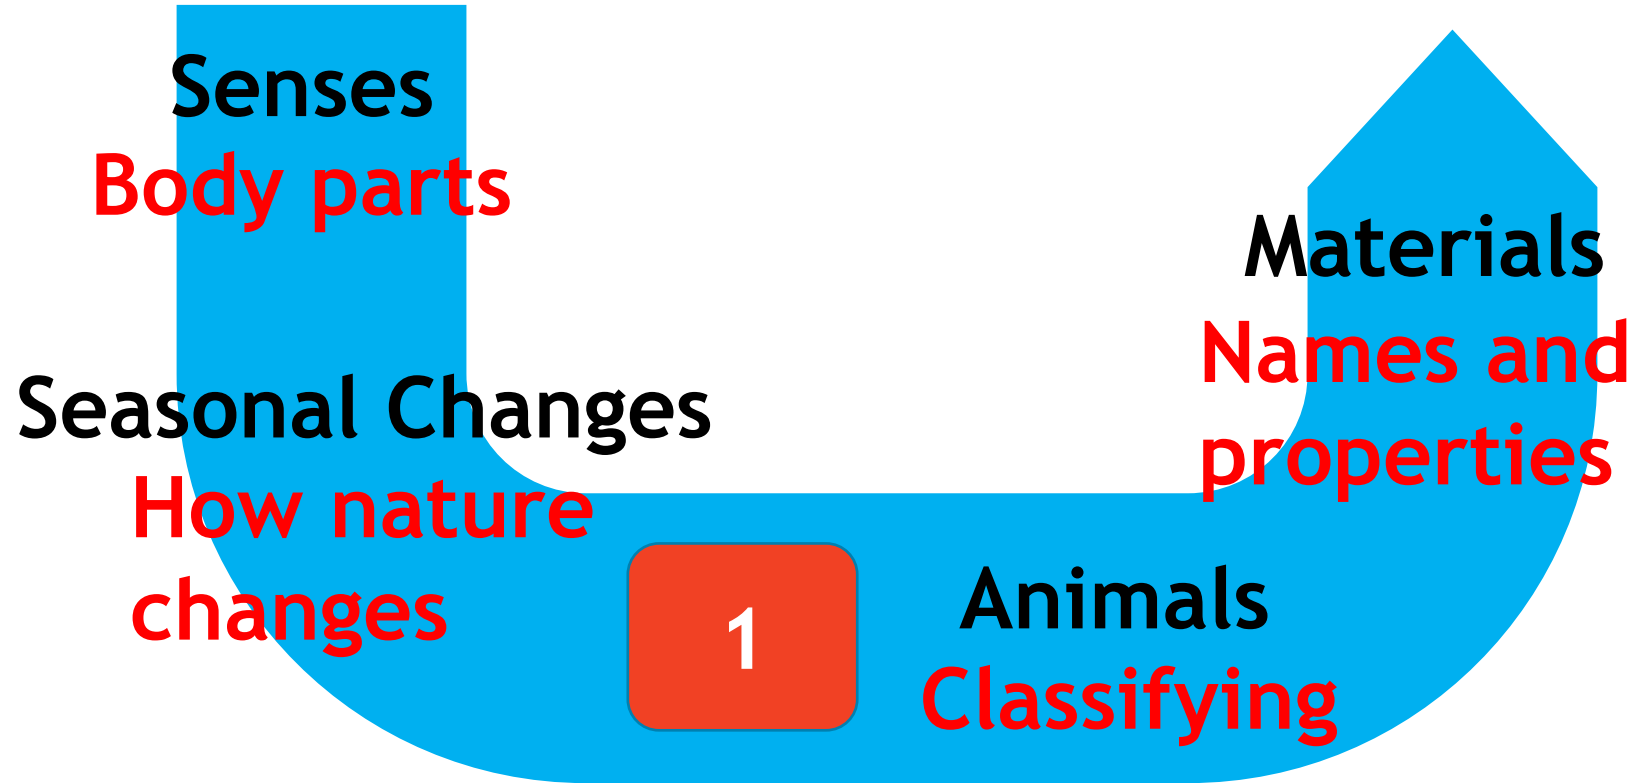

**Healthy and
unhealthy**

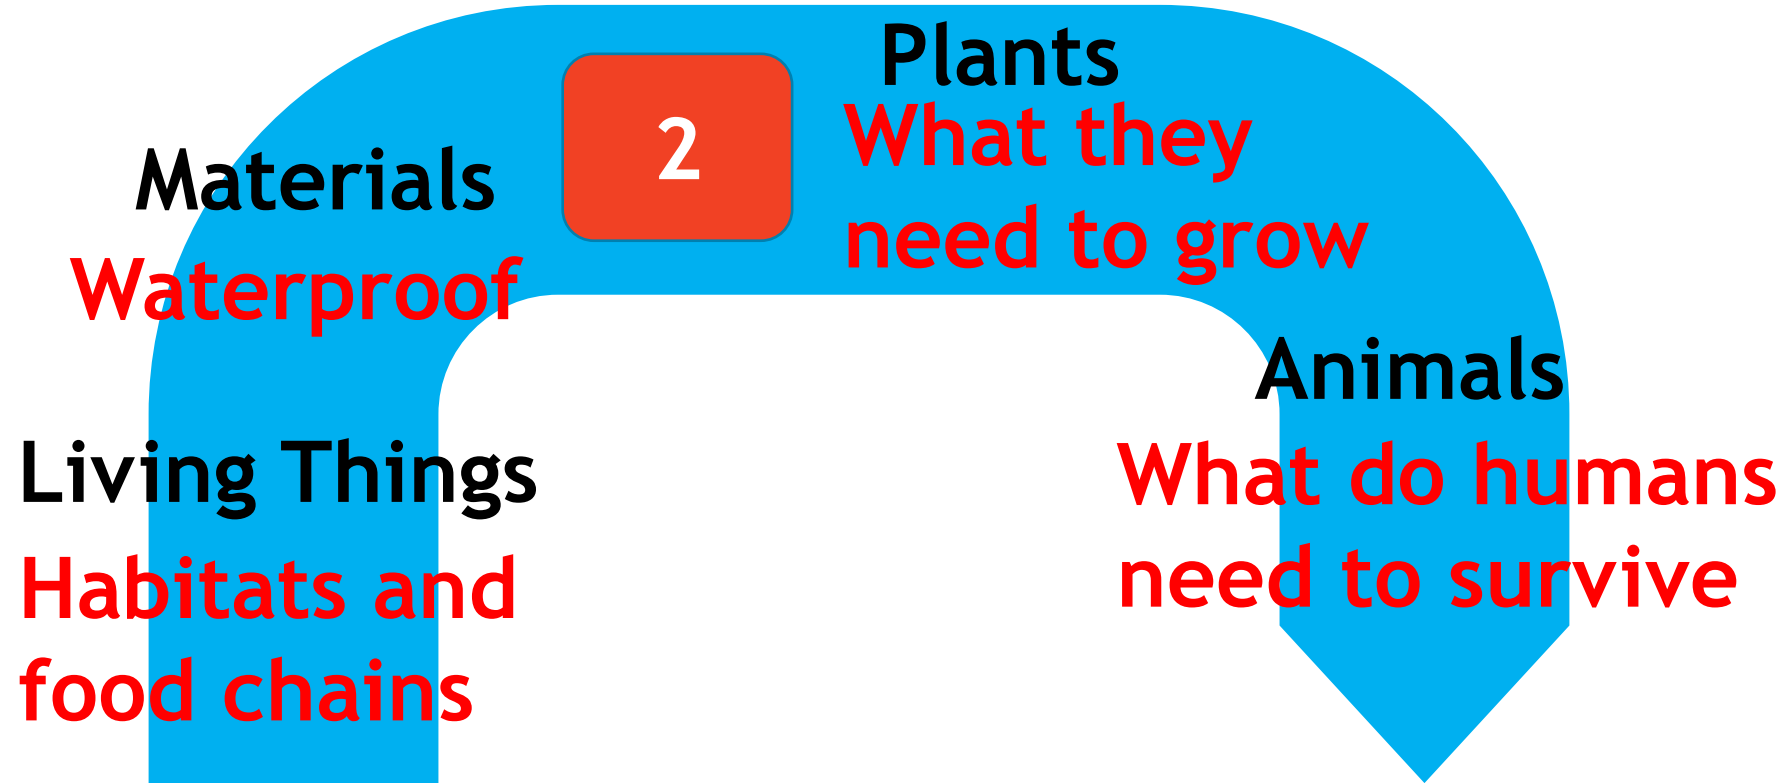

Humans

Body Parts

Materials

**Metallic/non-metallic
Floating/sinking**

Magnets and Forces

**Which materials
repel and attract**

Electricity

**Insulators and
conductors**

Light and Dark

Reflection and

Sun Safety

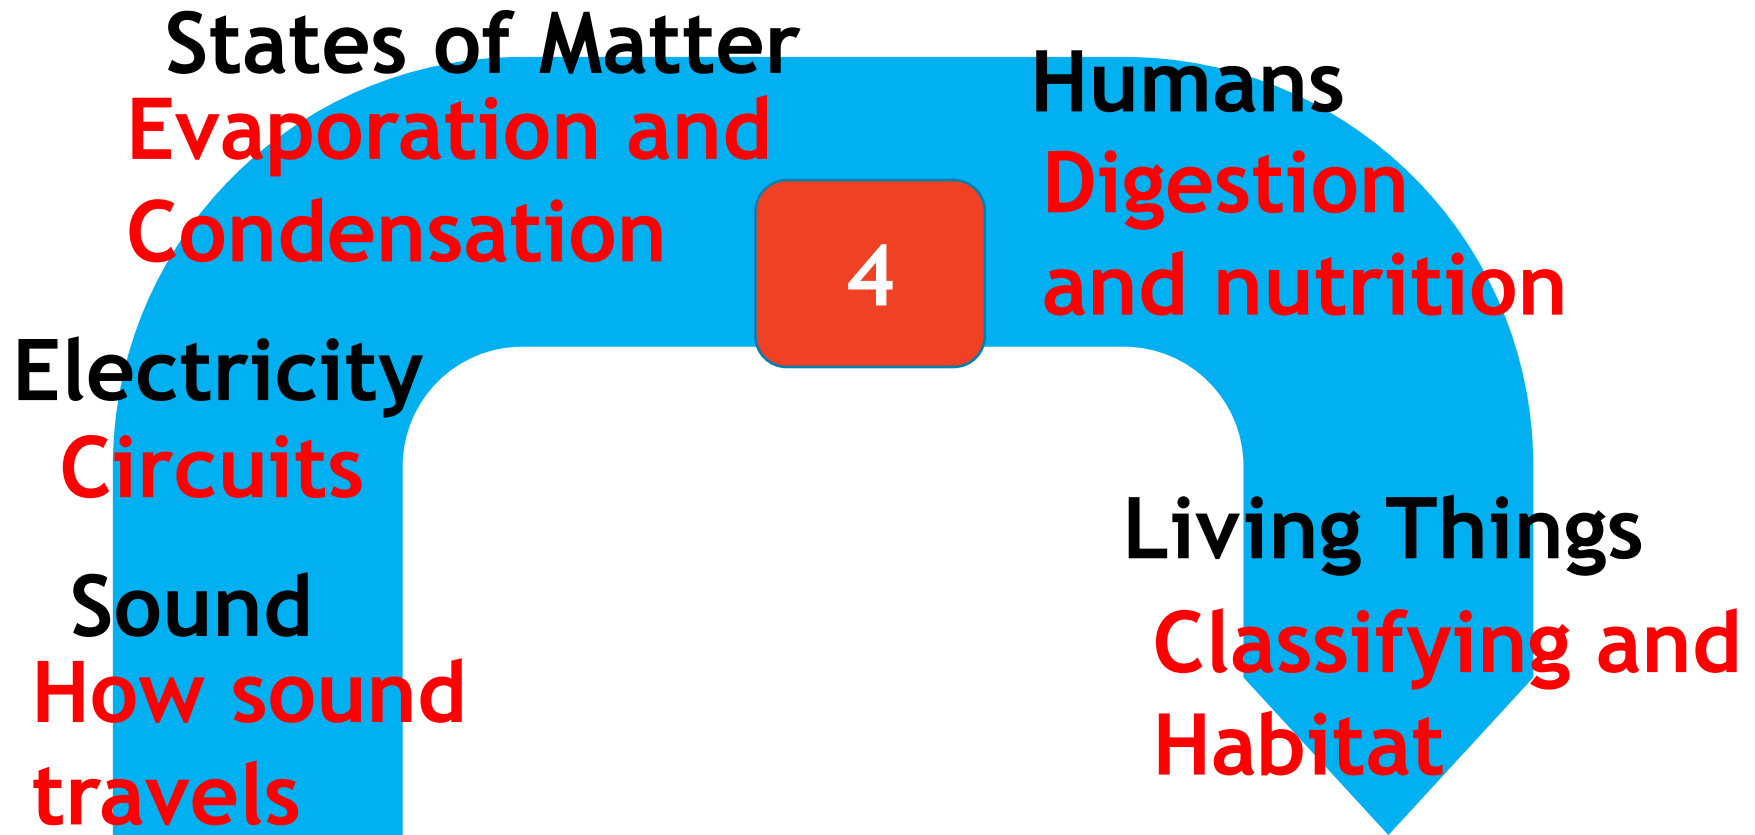

3

Plants

**Life cycles and
pollination**

Humans

**Nutrition,
skeletons and
muscles**

Materials
Types of changes
and Fair Tests

Earth and Space

Earth, Sun and
Moon

Forces
Gravity, Friction
and Air Resistance
