

Message from Mrs Stout

Happy Friday everyone—this spring term is just whizzing by and we are beginning to get very excited about health and wellbeing week. Learning about being healthy and managing our wellbeing is not just something we do in our week in February each year, but is a constant part of our science, PSHE and wider ranging curriculum subjects. In fact, I would say with our restorative practice and communication value, it is part of our every day culture here at Meadowfield. However our annual focus week lets us have a bit of fun and indulgence in this area and we love it! Keep your eyes out for letters for trips, visitors and other events which will all raise our spirits—children, staff at school, governors and parents and carers! It is going to be great! Meanwhile, enjoy the newsletter and seeing what we have been busy doing this week!

Things to look out for this term:

Monday 6th to Friday 10th February—Health and Wellbeing week
 Friday 10th February 3.15pm school closes for half term
 Monday 20th February 8.45am school opens
 Friday 24th February Times Table Rock Stars Day
 Wednesday 15th and Thursday 16th March Parent/Carer consultation evening
 Wednesday 22nd March Easter Disco
 Friday 31st March school closed for pupils—teacher training day
 EASTER HOLIDAY—school reopens 8.45am
 Monday 17th April

Remik in Y1 has enjoyed his brilliant art lessons with Mrs Hoddell so much that he went home and told his family all about it—and created this piece of art work. His mum said this is a piece of art inspired by his Steven Brown work.

The Green Team have been washing, cleaning and replenishing the school's teeth supplies - we like to keep them busy! However, they also took the opportunity to save and recycle all the old brushes, heads and empty tubes of paste. These will be donated to a local dentist who in turn passes them on to local a recycling project where they will be melted down and turned into plastic pallets ready for a new life.

A busy few weeks for Early Education! We have welcomed back our children this week. It's been lovely to see everyone and catch up. We have also met our new starters and their parents, in a stay and play session last week. It was lovely to get to know our new families and nice to see some old families, with their new younger siblings. What a great start to spring term 2023!

Teddy bear creativity in Y2

Last half term year 2 learnt how to sew using a needle and thread—take a look at the teddies they made:

And we're off!!

The first session of Meadowfield Football Foundation started on Monday and we're already full of smiles and some outstanding skills! What's the purpose of MFF?

'We want to offer a high quality Extra curricular club where children learn, not only football skills, but teamwork, resilience and confidence!'
