

Message from Mrs Stout

It is Easter already! Where did our spring term go...although I know it went in a flurry of learning, visits, visitors, experiences (remember circus skills, skiing, sledging, caving and Nell Bank!) I am always so appreciative of the work and effort and time the team here at Meadowfield put into creating a rich and knowledge based curriculum for our children. We truly do prepare them well for the next stage of their learning! Enjoy your Easter break everyone!

THANK YOU to Kev and the rest of the team at Barry's who have raised an astonishing £3000 for our Y5 residential, With prices rising for gas and electric as well as everything else we were not able to fund this residential in the way we usually do as school contributes around 40-50% of the cost (reducing the amount parents have to pay.) This year we simply did not have the funds to do that but, thanks to Kev and team, we can now go ahead and have our Y5 residential to Whitby. We are so thankful and grateful- THANK YOU FROM MEADOWFIELD!

And so to THE BEAR! Take a look at this beauty: I know people have been asking about the bear on Facebook and now here he is! Miss Reed and other staff have been superb in supporting children to 'decorate' him (he needs a name) so he is ready to hit the streets of Leeds as part of the summer bear hunt. I think he will be instantly recognisable as the Meadowfield bear!!

Can you help?

The Green Team are still looking for donations of pre-loved school uniform, PE kit, coats, shoes and book bags. Batteries too, are still welcome and will be, until the end of term, when the winner of the Pizza Disco Party will be announced. Finally, our very own 'bottle bank' is slowly filling. Please add to this if you can, by donating empty plastic bottles, into the collection basket outside Year 3. Thank you for all donations received so far.

	6MT	Sadiyah N	Triston T					

Y6 have been going to University of Leeds to undertake their Degree in a Day event! Getting a degree is such an amazing experience and for our children to know that this is a possible pathway for them for their future! It is an annual event so watch our Y5! Your turn is coming- caps and gowns at the ready.

It was a really good day and the children really enjoyed it. They started the day with a welcome meeting in the Education Department then completed a WW2/Circulatory System themed treasure hunt around the campus; learned to say "Hello, my name is....." in Urdu and Chinese; had a buffet lunch; completed a science investigation and then finished the day off with their graduation ceremony complete with caps and gowns. WOW! Go Y6!

Dates

31st March Teacher Training Day—school and Early Education closed to pupils
EASTER HOLIDAY
Monday 17th April 8.45am School opens for the summer term
Thursday 20th April Class photographs
Monday 1st May—School Closed—May Day Bank holiday
