

Our topic this term is- Me, Myself, and I.

During this topic our key learning is about: our local area, body parts, the five senses and sketching a self-portrait.

We will also be learning about: how people celebrate special events, how things have changed since our grandparents were young, how to take a photo and edit it and to use basic musical instruments to keep a pulse.

English – we will be writing sentences with capital letters and full stops. We will read simple sentences and enjoy listening to stories read by others.

Maths – we will be practicing our number bonds to 5 (the numbers that add to make 5). We will learn our double facts to 10 by heart.

Your child needs to bring their book bag to school daily. Adults will be listening to them read at school frequently. Please listen to your child read at home daily.

Maths home learning will be posted onto class dojo each Friday.

Please send your child to school in P.E kit on Tuesdays (indoor) and Thursdays (outdoor).

To support our Geography learning we will be going on a walk around our local area. To support our history learning we will have a grandparent visit us to talk about the past.
