

The Stone Age

Our key learning will be:

- To know when the Stone Age happened in relation to time periods we have learned about
- To be able to compare Stone Age life to our lives
- To know that people discovered different metals tools and weapons improved over time
- To learn about what Stone Henge has to do with the Stone Age period

Science – Magnets
Art – Pablo Picasso and sketching
RE – Spirituality
PSHE – Medicines and Tobacco

English – We will be learning how to write an information text and stories with interesting characters

Maths – we will be working on our place value knowledge, addition and subtraction and our times tables

Home learning will be sent out every Friday alongside spellings. It needs to be returned by the following Thursday. Children need to read five times in a week and have their reading records signed. If home learning is not returned children will miss a playtime to complete this.

PE – Hip Hop Dancing on a Monday and Forest Schools on a Thursday

Mr Rickson joins us every week for Music to help us learn how to play the ukelele.
