

# Electricity

## Electricity

Children will learn about electricity.  
They should understand that:

- Electricity runs from negative to positive in a circuit
- A circuit must be complete for electricity to flow
- Volts are named after the scientist Volta

History - Vikings  
RE – Hinduism and Divali  
PSHE - Drugs and Addiction  
Computing – iMovie  
DT – Viking Longships  
MFL - Spanish

### English

- Newspaper Article
- Information Text

### Maths

- Four Operations
- **Times Tables**

Home learning to be completed and returned by Friday each week. If not returned, children will be invited to complete it at playtime on Friday.

Reading daily, five times a week. Reading Records to be returned daily. Children who do not bring their bookbag or do not read at home can opt-in to read in the classroom at playtime and earn Dojo points.

Spelling lists sent home weekly. Spelling tests are timetabled for Friday afternoons.

### PE

Tuesday – Swimming  
Thursday - Orienteering

No Visits/Visitors currently arranged.  
Any dates to be aware of will be communicated in a timely manner.
