

# Our topic this half term is- Space.

During this topic our key learning is about: the famous astronauts- Neil Armstrong, Mae Jemison and Helen Sharma.

We will also be learning about the special books that Christians and Muslims read, the properties of materials, colour mixing to create art, how to image search on google, and how to keep a pulse and rhythm.

## English

We will be independently writing stories. The sentences will have capital letters, finger spaces and full stop. We will read sentences and know all our phonics sounds.

## Maths

We will learn the odd and even numbers, the double and halving facts, count in 10s and solve subtraction on a number line.

Your child needs to bring their book bag to school daily. Adults will be listening to them read at school frequently. Please listen to your child read at home daily and record this in your reading record. Maths home learning will be posted onto class dojo each Friday.

Please send your child to school in P.E kit on Mondays (indoor) and Fridays (outdoor).

To support with our R.E learning we will be having a visitor from the local Mosque coming into school to talk to us.
