

# South America

We will learn about the different geographical features - physical and human - of South America. We will look at the different biomes, cities, cultures and customs of the South American continent

- In science we will be learning about Forces
- In DT we will be learning about how the seasons affect food production. We will also make and taste some traditional South American dishes.

English – We will be writing stories with a horror theme to fit with our class read - Room 13. We will also write biographies of a significant figure from history.

Maths – we will start off by developing our written methods of division and multiplication and then return to fractions and make the link to decimals and percentages.

Home learning is set weekly on a Friday; maths, grammar and spellings. The children are expected to read every day at home.

PE – Tuesday is football in the MUGA and Thursday is gymnastics in the hall. Please make sure children have the correct PE kit on these days.

Star Badge Assembly is on Friday afternoon and please check Dojo regularly to see details of upcoming whole school events and to read about how well your child is doing in school.
