

Art LTP 2022-23

Aim to have a diverse range of artists – (gender/sexuality/race and culture)

Coverage is very even across key stages with textiles crossing over strongly with DT projects in Y5 and 6.

Art Expectations						
<ul style="list-style-type: none"> Ensure there is evidence of all topics including any practise and process before a final piece of Art. This might be photographs of the children learning, photographs of large paper or displays or it could be practise of a particular skill directly into sketch books. Please include LQ's for practise or evidence however a final piece of art does not need an LQ as this may take the focus away from the child's art. Self-Portraits – these should be completed at the beginning of each year. These should include a photograph of the child.
