

# Year 3 - Volcanoes

We will be learning about Volcanoes – how they are made, what different layers they have, what happens when they erupt and when they have caused huge damage to places.

In Science we will be learning about the human body – what we need to survive, how our muscles work and how we have similarities to plants and animals!

English – we will be writing poetry linked to the natural world and stories that include some conversations

Maths – our focus this half term will be fractions, length and measure and revisiting our calculation methods.

Home-learning will be given each Friday and due in by the following Thursday. Spellings will also be given. We ask all children to read five times a week. Completion of home-learning and reading earns extra Dojo points.

Dodgeball will be on a Monday indoors and football will be Thursday – outdoors.

World Book Day -Friday 7<sup>th</sup> March  
Parents' Evening – week beginning 10th March  
More information to follow on these.
